Pre-planning w Harrisburg Building Exchange - looking to schedule something in Spring.
GBCA of Phil - various members may be teaching courses this Spring..

Has your chapter had a recent extremely successful dinner meeting(s)? If so, what was the topic and who was the speaker?

All of our meetings have been well received; however, the January meeting which was a joint meeting with NAWIC was very well attended. I believe the synergy between the two groups was helpful for both organizations. We are planning another joint meeting with the Subcontractor's Association on Ethics which I believe will be very well attended also.

What are your recent chapter achievements and successes or personal chapter member achievements? (i.e., certification, service pins, etc)
